INTRODUCTION

A large volume of trucks arrived in the downtown core of Ottawa beginning on January 28th

The trucks have remained in the downtown core, causing traffic disruptions and ongoing issues to the daily lives Ottawa residents and businesses.

Using an integrated response, the Ottawa Police Service and it's policing partners will keep the peace, enforce legislation, and maintain public safety for the duration of the Ottawa truck demonstration.

This will be achieved with the utmost respect to the individual's Charter of Rights and Freedoms with priority on community and emergency service's personal safety and well-being.

- To return the City of Ottawa into the state of normalcy by all lawful means and in the safest way for all involved.

To de-escalate and negotiate the peaceful resolution and demobilization of the truck demonstration.

Officers are expected to act professionally and use de-escalation techniques.

Officers have full discretion to take the appropriate action on any offences as laid out in various legislation and orders.

Officers are to consult with their command as required or the situation dictates.

- On February 11, 2022, the Premier of Ontario declared a province wide emergency as a result of interference with transportation infrastructure and other critical infrastructure that is occurring across the province, which is preventing the movement of people and the delivery of essential goods and services.
- The Emergency Order in connection with the declared emergency came into effect 12 Feb 2022.
- The emergency order prohibits the interference with critical infrastructure
- and specific actions by demonstrators involved.

- On the 14th February the Federal government enacted the Emergencies Act (EA) to address ongoing protests and blockades within Ottawa and other locations within Canada. The Emergencies Act, which became law in 1988, is a federal law that is used by the federal government in the event of a national emergency.
- The Emergencies Act was invoked to grant temporary additional and necessary powers to the federal government when provincial, territorial and federal tools are no longer sufficient to deal effectively with the serious issues being faced. The Order and Regulations are attached as an appendix.

- Fences are being placed at the following locations that we have gain ground.
  - McKenzie north of Wellington
  - Sussex north Rideau
  - Rideau near William
  - Colonel By South of Rideau

Hi guys,

I spoke with Mo Bryden today, and her folks are getting saddled with incomplete reports, notes, missing info etc in regards to arrests from the Protest. Would it be possible to either add a single brief slide or make strong mention of it at briefings going forward?

Thanks
Mike
